## Wolsingham Show September 7th and 8th 2024

5th January 2024

Dear Sir/Madam

This pack contains all of the information you require for booking trade and advertising space for this years Wolsingham Show to be held at Scotch Isle Park. Wolsingham and Wear Valley Agricultural Society is a traditional two-day agricultural show with an attendance of over 40,000 and is the oldest in England. Saturday is 'agricultural day' and Sunday is 'country fair day'. It retains strong links with agriculture and helps to promote a link between town and country. A wide range of entertainment and displays are offered and our livestock classes remain a very important feature of the weekend. These along with all the other side attractions guarantees something for everyone attending the show and, for traders and advertisers, provides an extremely good market place for the promotion and sale of a wide variety of goods to the farming and general public. For greater security we have night time security patrols.

To prevent delays entering the showground, please ensure that your vehicle pass is clearly on display. All vehicles entering the show field must have a vehicle pass.

Application for space must be made on the official forms which must be completed and signed by the exhibitor.

Please note that submission of an application form does not guarantee a space. If you would like to discuss any aspect of your booking prior to completing the forms please contact the Show Secretary via **info@wolsinghamshow.co.uk** who will be pleased to assist with your enquiries. Please note cheques should be made payable to 'Wolsingham and Wear Valley Agricultural Society'

This is a prestigious event for Wolsingham and is an affordable way of reaching new customers. Should you wish to advertise in the Show Catalogue or Show Schedules the prices can be found on the application form. If you wish your advert to appear in both the Show Programme and Show Schedules then we can offer you a discounted price. Should you wish to advertise with us please complete the 'Advertising Booking Form' and include proof advertisement together with your payment, cheques made payable to 'Wolsingham and Wear Valley Agricultural Society'

I look forward to working with you at this year's event.

Yours faithfully

Richard Lawson  
Wolsingham Show Chairman

### Trade/Exhibitor Risk Assessment

To assist us in providing a safe event we require all Trade Stand Exhibitors to complete a risk assessment and submit this with their application form. This is to show that you have considered any likely hazards in relation to your trade stand or exhibit and that you have put controls in place to prevent illness, injury or harm. Using the form provided please identify any likely hazards that could affect those setting up/manning/breaking down your Trade Stand/exhibit also give consideration to members of the public visiting during the course of the show. We have included some basic guidance below but you can access more information and find examples of completed risk assessments at:

<http://www.hse.gov.uk/risk/assessment.htm>

Please copy the risk assessment form if more space is required.

Please record on the risk assessment on the next page how you intend to control the risks from fire and all other hazards associated with your occupation of the stand. Note: fire controls for stands should be the same as for any retail outlet. You must consider who may be placed at risk during each stage of attendance on site, e.g. pre show, show day and post event activities, including contractors and members of the public and describe the steps you propose to take to minimise those risks. Whilst it is important that all significant hazards and risks are identified, keep the assessment simple – complication creates confusion. Feel free to copy the assessment page if more space is needed. Alternatively, you may send a copy of any similar format, provided you are satisfied as to its appropriateness to your stand at this event. It is unlikely that the activities associated with a stand will not have some risk attached. Therefore statements such as “NO RISK” may need to be qualified. **Please return the form to the Show / Section Secretary.** A copy of your risk assessment should also be kept on your trade stand and be available for inspection at all times.

**A COPY OF YOUR PUBLIC LIABILITY INSURANCE MUST ALSO BE MADE AVAILABLE IF REQUESTED FROM THE COMMITTEE.**
