## Trade/Exhibitor Risk Assessment

To assist us in providing a safe event we require all Traders to complete a risk assessment and submit this with their application form. This is to show that you have considered any likely hazards in relation to your trade stand or exhibit and that you have put controls in place to prevent illness, injury or harm. Using the form provided please identify any likely hazards that could affect those setting up/manning/breaking down your Trade Stand/exhibit also give consideration to members of the public visiting during the course of the show. We have included some basic guidance below but you can access more information and find examples of completed risk assessments at:

<http://www.hse.gov.uk/risk/assessment.htm>

Please copy the risk assessment form if more space is required.

Please record on the risk assessment on the next page how you intend to control the risks from fire and all other hazards associated with your occupation of the stand. Note: fire controls for stands should be the same as for any retail outlet. You must consider who may be placed at risk during each stage of attendance on site, e.g. pre show, show day and post event activities, including contractors and members of the public and describe the steps you propose to take to minimise those risks. Whilst it is important that all significant hazards and risks are identified, keep the assessment simple – complication creates confusion. Feel free to copy the assessment page if more space is needed. Alternatively, you may send a copy of any similar format, provided you are satisfied as to its appropriateness to your stand at this event. It is unlikely that the activities associated with a stand will not have some risk attached. Therefore statements such as “NO RISK” will need to be qualified. **Please return the completed Risk Assessment with your Application, failure to do so may delay acceptance of your Application.**

A copy of your risk assessment should also be kept on your trade stand and be available for inspection at all times.

**A COPY OF YOUR PUBLIC LIABILITY INSURANCE VALID AT THE TIME OF THE SHOW MUST ALSO BE DISPLAYED ON YOUR STAND AND MADE AVAILABLE IF REQUESTED BY THE ORGANISERS.**
